Sir:

This responds to a "Notice to File Corrected Application Papers" mailed on October 21, 2003 for U.S. No. 10/620,618. The deadline for responding is December 21, 2003, which falls on a Sunday, and a petition for extension of time is believed not required.

The filing receipt received with the notice is incorrect. This application has only one applicant, Marvin Motsenbocker. The other applicant listed on the filing receipt "Robert J. Martin, Orlando FR" is a complete mystery to the correct applicant and is an error of the patent office. Applicant insists that the patent office correct this error. Applicant also respectfully requests that the "Atty. Docket No." be changed from "37956-0005" to "Maruta Jumbo."

Transmitted herewith is a substitute specification with claims and abstract, and replacement drawings 5-9, 11a, 11b, 12a-12c, 13a-13c, 14a-14b, 15 and 17 for the captioned application. No new matter has been added by deletion or addition.

Please replace the filed application with the enclosed substitute application. There are NO word changes to the text of the application. Line spacing in the claims has been

altered only. Applicant is unable to make a marked up copy because the only difference is that a claim is no longer single spaced.

Please replace drawings 5-9, 11a, 11b, 12a-12c, 13a-13c, 14a-14b, 15 and 17 with the attached drawings. No new matter has been added to the drawings.

Please contact Marvin Motsenbocker, the sole applicant at 540-729-8833 or at 540-373-8976 if a teleconference would be helpful.

Respectfully submitted,
